## WORK EXPERIENCE

### Human Resources Manager

#### Synnex Corporation

📅 2019 - current 📍 Greenville, SC

- Introduced Oracle HCM Cloud's self-service portal for employees to update personal information and submit time-off requests, leading to a 32% decline in service ticket volume.
- Oversaw the customization of Lever's career page integration, resulting in a **22% growth in organic traffic and candidate conversions**.
- Integrated Ease's electronic document signing feature to expedite the signing of employment contracts, shrinking turnaround time by an average of 9 days.
- Implemented Workday performance management modules, leading to a 17% boost in employee goal alignment.

### HR Administrator

#### Michelin North America

📅 2017 - 2019 📍 Greenville, SC

- Rolled out a health and wellness program on Adobe Captivate Prime, leading to a 38% decrease in absenteeism.
- Managed payroll processing for 1,600+ employees in QuickBooks Payroll, ensuring error-free disbursement of salaries, and minimizing 21% of payroll-related queries.
- Conducted exit interview analysis to identify trends in employee turnover with Visier People, implementing retention strategies that cut voluntary turnover rates by 11%.
- Achieved a **98% satisfaction rate in resolving employee queries** within 24 hours, fostering a positive employee experience.

### HR Specialist

#### ScanSource, Inc.

📅 2015 - 2017 📍 Greenville, SC

- Designed and implemented automated goal-setting methods within PerformYard, saving 116 hours in annual HR administrative work.
- Used advanced analytics for recruitment processes, enhancing talent acquisition strategies, and improving the quality of hire index by 27%.
- Leveraged Officevibe's Engagement Insights to conduct an in-depth analysis of employee sentiment, driving an initiative that led to a 43% reduction in employee churn.
- Identified and addressed inefficiencies in staff scheduling through TSheets' real-time tracking features, **lowering overtime costs by \$8,493**.
